I am energetic, ambitious person who is currently working as an undergraduate student of Bachelors of Information Technology. I have developed a mature and responsible approach to any task that I undertake, or

situation that I as presented with. I have done semester-wise academic individual projects and group projects as a college assignment. I have completed my final year project on 'PDF to audio and audio to PDF converter system' using HTML, CSS, JavaScript, Python and Django. I can work and cooperate with my team members to achieve a certain objective on time. I believe I can contribute my knowledge in this role at your company.

I have been always seeking a job from the reputed company and taking an effective work experience being a co-operative in work with the team members and the organization by learning new things to achieve my career objective of starting up my own company.
